

MEMBERSHIP CLASSES

STANDARD MEMBERSHIP

Individual: \$1,800

Family: \$1,800 for initial member + \$600 for each additional family member

Individual and Family membership includes eligibility to participate in the Annual Fund, full participation at all NuFund deal meetings and special events (happy hours, dinners, Quick Pitch, etc.), and access to all websites and educational platforms for each registered member.

AFFILIATE MEMBERSHIP

Individual: \$1,800

Same benefits as Standard Membership but designed for business entities that would like to co-invest with NuFund as an extension of their corporate portfolios or part of their strategic objectives. Affiliates may include family offices, VC's, corporate funds, foundations and nonprofits.

ABOUT NUFUND

NuFund Venture Group is a new wave of angel investors with a new fund model investing in new technology leaders. NuFund was formerly known as Tech Coast Angels - San Diego (TCA-SD), and the organization is one of the largest, most active and most successful early-stage investor groups over the past 20+ years. We continually strive to foster a culture that is friendly, innovative, engaging, rewarding and fun for all stakeholders.
